REPORT ON WOMEN'S DAY CELEBRATION

Date: 13.03.2023

Event : Women's Day Celebration
Place of the Event : AMCET Campus
Date of the Event : 08.03.2023
Time of the Event : 10.00 am
Organizing Unit : AMCET
Name of the Coordinator : Mrs.V.Sivasankari , HOD/CIVIL

On the auspicious occasion of International Women's Day, Women Empowerment Cell organized a special talk on March 8, 2023 to raise awareness about "Women and Decision-making."

Mrs. V. Sivasankari, AP/Civil delivered the lecture on decision-making. She emphasised through her lecture that women are underrepresented in decision-making positions worldwide. It is necessary for young girls and women to break the glass ceiling—the invisible barriers that prevent women from reaching upper-level positions. Speaking on the occasion, she suggested one approach to taking decisions, which is to break down decisions into smaller, more manageable steps. By doing so, we can increase productivity, enhance collaboration, inspire organisational dedication, and improve fairness.

On account of International Women's Day, Women Empowerment cell of AMCET had organised a Rangoli competition in the seminar hall in the afternoon session. The competition was open to all the girl students of AMCET.

Mrs.V.Sivasankari, WEC Co-ordinator introduced the theme "**Against gender-based violence**" for rangoli competition.

There are 25 students of had participated from different branches. Students are happily participated in the Rangoli competition. They understand the theme and represent them in their Rangolis.

REPORT ON TREE PLANTATION

Date: 27.06.2022

Event	: Tree Plantation
Place of the Event	: Veppur Village, Ranipet
Date of the Event	: 22.06.2022
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: To impart the importance of trees
No. of MYC Volunteers	: 15 Student volunteers from various department

Veppur Village, nestled in the district of Ranipet, holds immense potential for environmental conservation and community engagement. Recognizing the importance of green spaces in enhancing ecological balance and fostering community well-being, a Tree Plantation initiative was launched in Veppur Village. This initiative aims to not only beautify the landscape but also promote environmental stewardship and sustainable development. Our Mira Youth Club volunteers organized a tree plantation program on 22.06.2022 at Veppur Village Ranipet.

This Increases the green cover in Veppur Village by planting a variety of indigenous tree species, enriching the biodiversity and natural aesthetics of the area by engaging the residents in collaborative efforts to plant and care for trees, fostering a sense of ownership and pride in the village's natural environment. The Tree Plantation initiative in Veppur Village, Ranipet, exemplifies the power of community-driven efforts in environmental conservation and sustainable development. By mobilizing collective action, fostering environmental education, and promoting community engagement, the initiative contributes to creating a greener, healthier, and more resilient village environment for present and future generations.

REPORT ON WATER TANK CLEANING

Date: 28.08.2022

Event	: Water Tank Cleaning
Date of the Event	: 25.08.2022
Place of the Event	: Arapakkam Village
Time of the Event	: 10.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Create awareness of Water Tank cleaning
No. of MYC Volunteers	: 14 Student Volunteers from various Departments

To keep the cleanliness and hygiene of water on priority, it is important to have proper water tank cleaning at adequate times. This is not only required by law but is an essential, healthy, and safe practice. Water tanks are a great help to us as they fulfill our water-related needs by saving water for us. We should ensure that the water inside stays clean and bacteria-free. There is a need to clean the water tank at least once in six months.

The Water Tank Cleaning program was organized by the Mira Youth Club unit on 25.08.2022 at 10.30 am in Arapakkam Village. In Front of Mr.R.Prasanth Director, Dr. D.Saravanan Vice Principal and Arapakkam village president inaugurated the program. The students delivered the talk about the importance of Water Tank Cleaning clearly to the public.

Cleaning a water tank is essential for several reasons. Cleaning ensures that the water stored in the tank is safe and free from harmful contaminants. Cleaning the water tank helps to prevent blockages in the system which may lead to reduced water flow. Regular cleaning can help to extend the lifespan of the water tank by preventing corrosion and rust.

REPORT ON DRESS CODE AWARENESS PROGRAM

Date: 10.04.2023

Event	: Dress Code Awareness Program
Place of the Event	: Government High School, Melakuppam
Date of the Event	: 03.04.2023
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: School Students
Outcomes	: Creating awareness on dress code among students
No. of MYC Volunteers	: 10 Student from various department

In today's diverse professional landscape, understanding appropriate attire is crucial for fostering a conducive work environment and projecting a positive image. To address this need, our organization is proud to introduce the Dress Code Awareness Program, aimed at promoting awareness, understanding, and adherence to professional dress codes. As part of our commitment to cultivating a culture of professionalism and respect on campus, we are launching a campaign to raise awareness of the importance of adhering to a dress code.

Our Mira Youth Club volunteers, volunteered in conducting this program on 03.04.2023 at Government High School Melakuppam. Firstly Mr.S.Bharathidhasan AP / MECH addressed students on the need for higher education and how to act with great sharp intellect and energy. Next Mrs.V.Srividhya HOD / ECE and our MYC Volunteers Students handled the session.

AMCET – Mira Youth Club unit was organized a campaign to raise awareness about the benefits of wearing a uniform would help students stay in school, focus on their academics and be more disciplined and well-behaved. The most significant benefit is that it develops presenting skills, which enable individuals to speak confidently and provide a sense of drive and purpose.

Developing awareness of dress codes prepares you for the expectations of future workplaces, guiding you on a path towards professional success. Your appearance plays a significant role in shaping perceptions, not only within our academic community but also in your future professional endeavours.

REPORT ON SCHOOL CAMPUS CLEANING AND TREE PLANTATION

Date: 17.03.2023

Event	: School Campus Cleaning and Tree Plantation Program
Place of the Event	: Government Higher Secondary School Puttuthakku
Date of the Event	: 13.03.2023
Time of the Event	: 10.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: School Students
Outcomes	: Raise awareness about the need to clean up the environment and Motivating students for planting trees and keep the campus eco-friendly
No. of MYC Volunteers	: 30 Student Volunteers from various department

The School Campus Cleaning and Tree Plantation initiative is a collaborative effort aimed at fostering a culture of cleanliness and environmental stewardship within school community. By engaging students, teachers, and staff in hands-on activities, this initiative seeks to beautify a campus while instilling a sense of responsibility towards nature and the environment. It also enhances the aesthetic appeal of the school campus through regular cleaning and maintenance activities. Our Mira Youth Club volunteers, organized an cleaning and plantation program on 13.03.2023 at Government Higher Secondary School Puttuthakku. Combining cleaning and tree plantation activities can promote a holistic approach to environmental stewardship. After cleaning a particular area, students planted trees as a symbol of renewal and rejuvenation.

Keeping the school campus clean is essential for maintaining hygiene, preventing the spread of diseases, and providing a pleasant atmosphere for learning. Regular cleaning activities involve sweeping the premises, picking up litter, emptying trash bins, and cleaning common areas such as corridors, classrooms, and restrooms. Tree plantation initiatives within school campuses not only enhance the beauty of the surroundings but also offer numerous environmental benefits. Trees contribute to purifying the air, conserving energy, providing shade, and fostering biodiversity.

REPORT ON AIDS AWARENESS RALLY PROGRAM

Date: 16.01.2023

Event	: AIDS Awareness Rally Program
Place of the Event	: Melvisharam
Date of the Event	: 12.01.2023
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Create awareness of AIDS
No. of MYC Volunteers	: 30 student volunteers from various departments

Our Mira Youth Club organized an AIDS awareness program at Melvisharam on 12.01.2023. Human immunodeficiency virus (HIV) is an infection that attacks the body's immune system. HIV targets the body's white blood cells, weakening the immune system. This makes the infected person easier to get sick with other diseases like tuberculosis, infections and some cancers.

Primary objective of this AIDS awareness program is to prevent the spread of HIV/AIDS. This program helps to create an inclusive society that supports individuals living with HIV/AIDS and encourages them to seek appropriate care and support.

Our MYC volunteers explained the residents of Melvisharam that HIV remains a major global public health issue, having claimed 40.4 million lives so far with ongoing transmission in all countries globally. They also explained that getting tested for HIV is crucial, as early detection allows for timely medical intervention and access to appropriate treatment. Antiretroviral therapy (ART) is the recommended treatment for HIV, which helps control the virus, prevents its progression, and reduces the risk of transmission to others.

At the end of the program vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this program at Melvisharam.

HIGHER EDUCATION AWARENESS PROGRAM

Date: 10.04.2023

Event	: Higher Education Awareness Program
Place of the Event	: Government High School Melakuppam
Date of the Event	: 03.04.2023
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: School Student
Outcomes	: Awareness to motivate higher education among School students
No. of MYC Volunteers	: 10 Student Volunteers from various department

On 03.04.2023 Higher Education Awareness program was conducted at Government High School Melakuppam. Mr.S.Bharathidhasan AP / MECH addressed students on the need for higher education and how to act with great sharp intellect and energy. Later Mrs.G.Deepika AP / ECE and our Mira Youth Club Volunteer students handled the session.

They said that parents & teachers will always guide you in how to live with discipline and pave the way for your future dreams. They also outlined the domestic and foreign career opportunities after school and college education as a path of progress. Also our Physical Education Director Mr.M.Sathish Kumar shared his experience and how the sports activity help us our life and importance of sports activity and its opportunity for future life education.

By participating in our Higher Education Awareness Program, students will gain the knowledge, skills, and confidence needed to pursue their educational goals successfully. They will be better equipped to make informed decisions about their future, navigate the college application process effectively, and ultimately embark on a path toward academic and career success.

DIABETES CHECKUP AND AWARENESS PROGRAM

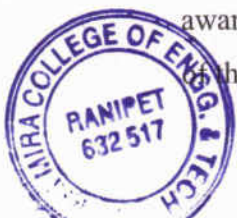

Date: 10.03.2023

Event	: Diabetes Check up and Awareness Program
Place of the Event	: Ashoka Diabetes Centre Vellore
Date of the Event	: 05.03.2023
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Creating Awareness for Diabetes among Public
No. of MYC Volunteers	: 10 Student Volunteers from various department

Diabetes has emerged as a significant public health concern globally, with its prevalence steadily increasing due to lifestyle changes, urbanization, and aging populations. To address this growing health challenge, Ashoka Diabetes Centre in Vellore initiated a Diabetes Checkup and Awareness Program. This program aims to provide accessible healthcare services, raise awareness about diabetes prevention and management, and empower individuals to lead healthier lives. Our Mira Youth Club volunteers, volunteered in conducting this program on 05.03.2023 at Ashoka Diabetes Centre Vellore.

A bus was arranged from our college premises to gather the public from our nearby villages like Arappakkam, Pututhakku, Melminnal, Kizhminnal, etc and were taken to Ashoka Diabetes Centre, Vellore.

There Dr. Ashok, offered subsidized diabetes screening tests, including blood glucose testing, HbA1c measurement, blood pressure monitoring, and BMI assessment, to individuals at risk or with suspected diabetes and educated the public about the risk factors, symptoms, complications, and management strategies associated with diabetes. By providing accessible healthcare services, raising awareness, and fostering healthy lifestyle behaviors, the program empowers individuals to take control their health and well-being.

REPORT ON MALARIA AND DENGUE FEVER AWARENESS RALLY

Date: 14.12.2022

Event	: Malaria and Dengue Fever Awareness Rally
Date of the Event	: 12.12.2022
Place of the Event	: Arugundram Village
Time of the Event	: 11.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET & Department of Public Health Vellore
Beneficiaries	: Public
Outcomes	: To impart knowledge about Malaria and Dengue Awareness
No. of MYC Volunteers	: 40 Student Volunteers from various Departments

Malaria and Dengue Awareness rally was organized by Mira Youth Club unit on 12.12.2022 at Arugundram Village Arcot at 11.30 am. The rally was inaugurated with Mr.R.Prasanth Director, Dr.T.K.Gopinathan Principal Dr.D.Saravanan vice Principal, and Dr.Suresh Kumar, MBBS, delivered the talk about the importance of Malaria and Dengue Awareness Rally.

In this rally 40 students were visit different locations on the Arugundram village and gave awareness about the Malaria and dengue, Malaria and dengue diseases both are considered to grow exponentially, both in regards to prevalence and mortality rates, as well as mosquito-borne illnesses that pose a global issue of public health because of ease on the globe.

The students at college level are aware of malaria and dengue diseases, but they are not capable of engaging and serving as agents for health reform. On the basis of results it is recommended that students must teach about epidemics diseases regarding how to handle these diseases. Dengue viruses are spread to people through the bite of an infected Aedes species like Ae.aegypti or Ae.Albopictus mosquito. Malaria is transmitted to humans by female mosquitoes of the genus Anopheles.

No. of MYC Volunteers	: 13 student volunteers from various departments

Our Mira Youth Club of AMCET organized say no to drugs rally program at Ayilam village on 12.09.2022.

The purpose of conducting this rally program at Ayilam village is to raise awareness about the harmful effects of drug abuse, educate community members on the risks associated with drug use and provide support and resources for individuals struggling with addiction.

Our MYC volunteers educated villagers about the dangers of drug abuse and its impact on individuals, families and communities and they encouraged villagers to recognize the signs of drug abuse and seek help if they or someone they know is struggling with addiction.

Our MYC volunteers provided information on local resources and support services available for individuals seeking help with drug addiction.

At the end of the program vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this rally program at Ayilam village.

Date:30.07.2022

Event	: Anti-Ragging Awareness Program
Place of the Event	: Government Higher Secondary School, Arcot
Date of the Event	: 26.07.2022
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: School Students
Outcomes	: Create awareness of Anti-Ragging
No. of MYC Volunteers	:13 student volunteers from various departments

Our Mira Youth Club of AMCET organized an Anti-Ragging Awareness Program in Government Higher Secondary School, Arcot on 26.07.2022.

Schools should provide a safe and nurturing environment for students to learn and grow. This program helps to create a safe and inclusive learning environment for students. Ragging or any form of physical, mental or emotional harassment can have severe consequences on the well-being and academic performance of the victims. By raising awareness about the negative impacts of ragging, schools can foster a culture of respect, empathy and tolerance among students.

Our MYC volunteers explained the school students that ragging is not only morally wrong but also a punishable offense under the law and they also provided information about the legal consequences and disciplinary actions associated with ragging.

Our MYC volunteers informed school students about the importance of reporting any incidents of ragging to the appropriate authorities.

At the end of the program Headmaster of Government Higher Secondary School, Arcot delivered the vote of thanks.

REPORT ON GENDER ISSUE AWARENESS PROGRAM

Date: 26.08.2022

Event	: Gender Issue Awareness Program
Place of the Event	: Government Hindu Higher Secondary School, Rasathupuram
Date of the Event	: 22.08.2022
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: School Students
Outcomes	: Create awareness of gender equality
No. of MYC Volunteers	: 12 student volunteers from various departments

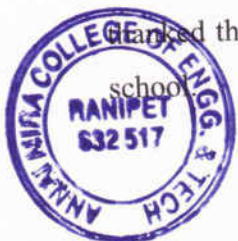

Our Mira Youth Club of AMCET organized a Gender issue awareness program at Government Hindu Higher Secondary School, Rasathupuram on 22nd, August, 2022.

This program started at 11.00 am. This program was initiated by the Headmaster of Government Hindu Higher Secondary School, Rasathupuram. He stated that, "Main aim of conducting this program is to promote gender equality and this program can help to create an equal society by educating students about the importance of treating everyone with respect and fairness".

Next to him our college MYC volunteer gave a speech on the importance of the gender equality. He told that, gender equality in schools ensures that all students, regardless of their gender, have equal access to quality education. Schools should provide safe and inclusive spaces where students feel respected and valued, regardless of their gender identity. This involves implementing policies and practices that prevent bullying, harassment, and discrimination based on gender.

Gender equality in schools means providing equal opportunities for all students to participate in various activities, including sports, leadership roles, and extracurricular programs. This helps break down gender stereotypes and promotes a sense of fairness and inclusivity. The Headmaster

thanked the management of AMCET for supporting to organize this event for the betterment of the

Outcomes	: Public health improvement by cleaning the village
No. of MYC Volunteers	: 30 student volunteers from various departments

Our Mira Youth Club of AMCET organized a cleaning program at Kavanur village on 10.11.2022. This program is essential as it contributes to the overall well-being and development of the village. Elimination of waste and garbage reduces the breeding grounds for pests and vectors that spread diseases. Proper disposal of waste helps prevent water contamination and the spread of waterborne diseases.

This program promotes environmental sustainability by reducing pollution and preserving natural resources. Such programs are a proactive approach for creating cleaner, healthier and more vibrant communities. Our MYC Volunteers and workers cleaned the streets and public places in the village by picking up trash and sweeping. They also educated villagers about proper waste management practices, such as segregation of recyclables and organic waste.

At the end of the program a vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this program at Kavanur.

REPORT ON TRAFFIC ASSISTANCE PROGRAM

Date: 25.05.2023

Event	: Traffic Assistance Program
Place of the Event	: Ranipet
Date of the Event	: 22.05.2023
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Improve the safety of villagers on the roads
No. of MYC Volunteers	: 12 student volunteers from various departments

Our Mira Youth Club of AMCET organized a traffic assistance program at Ranipet on 22nd May 2023.

The purpose of conducting this program to Ranipetresidents is to promote road safety education. By providing assistance with traffic management and regulations, college students can help improve the overall safety of Ranipetresidents on the roads. This initiative also serves as a practical learning experience for students, allowing them to apply their knowledge in a real-world setting while making a positive impact on the community.

Our MYC volunteers encouragedRanipetresidents to follow traffic rules and regulations, such as obeying speed limits and traffic signals and they instructed Ranipetresidents to use designated crosswalks and pedestrian pathways when crossing the road.

Our MYC volunteers advisedRanipetresidents to wear reflective clothing or accessories when walking or cycling at night to increase visibility and encouragedRanipetresidents to maintain a safe distance from vehicles and to be cautious when walking near busy roads.

At the end of the program vote of thanks was given by our MYC coordinator. He thanked the Management of AMCET for supporting to organize this program at Ranipet.

REPORT ON BLOOD DONATION CAMP

Date: 18.04.2023

Event	: Blood Donation Camp
Place of the Event	: AMCET Campus
Date of the Event	: 12.04.2023
Time of the Event	: 10.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET & CMC Hospital Vellore
Beneficiaries	: Public
Outcomes	: To impart the importance of blood donation
No. of MYC Volunteers:	12 Student volunteers from various department

Every drop of blood donated has the potential to save lives, making blood donation campaigns critical for addressing shortages and ensuring the availability of safe blood for patients in need. In a collaborative effort between AMCET (Anna Mira College of Engineering and Technology) and CMC Hospital Vellore, a blood donation camp was organized to promote the culture of altruism and contribute to the well-being of the community. The Mira Youth Club (MYC) in collaboration with blood bank of CMC Hospital Vellore organized a blood donation camp in the presence of Mr.S.Ramadosh Founder & Chairman, Mr.G.Thamothiran Secretary & Treasurer, Mr.R.Prasanth Director, Dr.T.K.Gopinathan Principal, Dr.D.Saravanan Vice Principal, Faculty members, AMCET on 12.04.2023.

On the day of the camp, Dr.S.Murthy welcomed the donors with warmth and gratitude, creating a supportive environment conducive to giving. They conducted medical screenings to ensure the safety of donors and determine their eligibility for blood donation based on factors such as age, weight, and health history. Also, they provided counseling and information sessions to address any concerns or questions donors may have and alleviate fears about the donation process. During the camp, 29 donors donated their blood and totally 50 units blood was donated by our students.

REPORT ON PLASTIC AWARENESS PROGRAM

Date: 23.02.2023

Event	: Plastic Awareness Program
Place of the Event	: Kavanur Village, Ranipet
Date of the Event	: 21.02.2023
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: To impart knowledge about proper Disposal of Plastic Waste
No. of MYC Volunteers	: 20 Student volunteers from various Departments

Plastic pollution has emerged as one of the most pressing environmental challenges of our time. With its pervasive presence in our oceans, soil, and even the air we breathe, plastic pollution poses serious threats to ecosystems, wildlife, and human health. In response to this urgent issue, implementing a Plastic Awareness Program can be instrumental in educating communities about the impact of plastic pollution and fostering sustainable alternatives. Our Mira Youth Club volunteers organized an awareness program 21.02.2023 at 11.00 am Kavanur Village to educate individuals about the environmental, social, and economic impacts of plastic pollution and encourage individuals to reduce their plastic consumption, properly dispose of plastic waste, and embrace sustainable alternatives.

The Plastic Awareness Program offers a multifaceted approach to combating plastic pollution by engaging communities, raising awareness, promoting behavior change, and advocating for policy reforms. It also offers a comprehensive and proactive approach to addressing the complex challenges of plastic pollution. By raising awareness, promoting behavior change, empowering action, and fostering collaboration, such a program can inspire individuals and communities to embrace sustainable practices and work towards a healthier, cleaner, and plastic-free future.

REPORT ON GENERAL HYGIENE AWARENESS PROGRAM

Date: 07.03.2023

Event	: General Hygiene Awareness Program
Place of the Event	: Government Higher Secondary School, Villapakkam Village
Date of the Event	: 03.02.2023
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: School Students
Outcomes	: Create awareness of general hygiene
No. of MYC Volunteers	: 12 Student volunteers from various departments

Our Mira Youth Club of AMCET organized a General Hygiene Awareness Program in Government Higher Secondary School, Villapakkam Village on 03rd February 2023.

The purpose of conducting this awareness program in schools is to educate students on the importance of maintaining good hygiene practices to prevent the spread of diseases and promote overall health and well-being. By raising awareness about proper hand washing techniques, personal hygiene habits, and cleanliness in shared spaces, schools can help reduce the risk of illness among students and staff. Additionally, instilling good hygiene practices at a young age can lead to lifelong habits that contribute to a healthier community.

Our MYC volunteers emphasized the importance of regular hand washing with soap and water, especially before eating and after coughing or sneezing and they demonstrated proper hand washing techniques, including scrubbing hands for at least 20 seconds and drying them thoroughly.

Our MYC volunteers provided information on common illnesses that can be prevented through good hygiene practices, such as colds, flu, and gastrointestinal infections.

At the end of the program MYC Coordinator delivered the vote of thanks. He thanked the management of AMCET for supporting to organize this program in Government Higher Secondary School, Villapakkam Village.

Outcomes	: Create awareness of Waste management
No. of MYC Volunteers	: 13 student volunteers from various departments

Our Mira Youth Club of AMCET organized a Waste Management Awareness Program in Arappakkam Village on 18.10.2022.

The purpose of conducting this waste management awareness program in Arappakkam village is to educate and empower residents on the importance of proper waste disposal practices, recycling, and reducing waste generation.

Our MYC volunteers demonstrated proper waste segregation techniques to villagers and also they provided guidance on setting up recycling bins for different types of waste to villagers.

Our MYC volunteers encouraged villagers to reduce waste generation by promoting reusable items, such as cloth bags and water bottles. Our MYC volunteers explained villagers that waste management helps to conserve natural resources and reduce pollution. They also explained the harmful effects of improper waste disposal on the environment and public health. Our MYC volunteers along with Villagers collected waste in Arappakkam village and disposed them. At the end of the program vote of thanks was given by our MYC coordinator.

He thanked the management of AMCET for supporting to organize this program at Arappakkam village.

REPORT ON TEMPLE CLEANING PROGRAM

Date: 26.04.2023

Event	: Temple Cleaning Program
Place of the Event	: Melminnal, Arapakkam Village
Date of the Event	: 24.04.2023
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: To maintain our village temples
No. of MYC Volunteers	: 20 Student volunteers from various Departments

The cleaning of the Temple was organized with the primary objective of maintaining cleanliness, sanctity, and aesthetic appeal within the temple premises. This initiative aimed to uphold the spiritual significance of the temple and provide devotees with a clean and pleasant environment for worship and religious activities. Dedicated members of the temple committee played a key role in organizing and coordinating the cleaning activities, ensuring the smooth execution of the event.

On 24.04.2023 at 11.00 am, our Mira Youth Club volunteers attended the temple cleaning ceremony and the environment inside the temple at Melminnal Arapakkam village, Ranipet. The garden area around the temple was cleaned by removing the debris. Members were divided into several groups and started the cleaning process.

Volunteers engaged in sweeping and mopping the floors of the temple complex to remove dust, dirt, and debris, ensuring a clean and tidy environment for devotees. Waste bins were placed strategically around the temple premises. The cleaning of the Mariamman Temple was a resounding success, reflecting the collective efforts and dedication of temple committee members, devotees, volunteers, and religious leaders. By maintaining cleanliness, sanctity, and aesthetic appeal within the temple premises, provided devotees with a conducive environment for worship and religious activities.

Name of the Coordinator : Mrs. A. Divya, HOD/AI&DS

We AMCET celebrated Engineer's Day on 15th September 2022 in Honor of Dr. M Visvesvarayya, a true gem of India and to identify the great works done by our hard working engineers each year. The main objective of the event was to encourage self evaluation, motivation, effective communication and team building among the students. Our Principal Dr. T.K.Gopinath addressed the students and advised them to take Dr.M.Visvesvaraya as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands. Mrs. A.Divya, HOD/AI&DS urged the students to aim to be great engineers with technical skills as well as personal qualities.

Place of the Event : AMCET
Date of the Event : 25-01-2022
Total Beneficiaries : Students
Outcomes : To impart knowledge about National Voters Day
No.of MYC Volunteers : 70

The National Voters' Day has been celebrated on January 25 every year since 2021, all across the country to mark the foundation day of Election Commission of India, i.e. 25th January 1950. Theme for this year's AMCET is 'Making Elections Inclusive, Accessible and Participative' The main purpose of the AMCET celebration is to encourage, facilitate and maximize enrolment, especially for the new voters. Dedicated to the voters of the country, the day is utilized to spread awareness among voters and for promoting informed participation in the electoral process. In our college we have conducted series of competition during 19th January to 21st January 2022 in online mode. More than 250 participants participated in the following competition. The cash prize worth was Rs 7500. E-Certificates will be awarded to all Participants. Superintendent of Police of Ranipet District, Principals of various Government / Self-Financing Colleges, and Government Officials also presided over the function.

REPORT ON BLOOD DONATION CAMP

Date: 08.04.2022

Event	: Blood Donation Camp
Place of the Event	: AMCET Campus
Date of the Event	: 04.04.2022
Time of the Event	: 10.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET & CMC Hospital Vellore
Beneficiaries	: Public
Outcomes	: To impart the importance of blood donation
No. of MYC Volunteers	: 12 Student Volunteers from various department.

The Mira Youth Club (MYC) unit of AMCET organized a blood donation camp in the presence of Mr.S.Ramadoss Founder & Chairman, Mr.G.Thamothiran Secretary & Treasurer, Mr.R.Prasanth Director, Dr.T.K.Gopinathan Principal, Dr.D.Saravanan Vice Principal, Faculty members, AMCET in collaboration with blood bank of CMC Hospital Vellore on 04.04.2022.

The camp was inaugurated with Mr.S.Ramadoss Founder & Chairman, Mr.G.Thamothiran Secretary & Treasurer, Dr.T.K.Gopinathan Principal AMCET in collaboration with blood bank of CMC Hospital Vellore. During the camp Dr.S.Joseph delivered the talk to motivate the students on blood donation and also elaborated on benefits and safety of blood donation habit.

During the camp, 35 donors donated their blood and totally 60 units blood was donated by our students. The donors were given refreshments like fruits, biscuits and juice after the blood donation in order to regain their strength back. Finally the camp ended with certificate distribution 02.00 pm.

The Blood Donation Camp at AMCET in collaboration with CMC Hospital Vellore exemplifies the power of partnerships and community action in addressing critical healthcare needs and saving lives. This initiative plays a vital role in promoting public health, strengthening community resilience, and nurturing a culture of compassion and solidarity.

REPORT ON DISPERSION OF SEEDBALLS PROGRAM

Date: 14.03.2022

Event	: Dispersion of Seed balls Program
Place of the Event	: Arapakkam village
Date of the Event	: 10.03.2022
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Enrich the environment at Arapakkam village
No. of MYC Volunteers	: 12 student volunteers from various departments

Our Mira Youth Club successfully conducted the dispersion of seed balls program on 10.03.2022 at Arapakkam village. A seed ball is a seed that has been wrapped in soil materials, usually a mixture of clay and compost and then dried. With seed balls, we can propagate plants and trees from seeds, without the need for opening the soil with cultivation tools like a plough.

Seed balls are an efficient way to restore vegetation in areas that have been deforested or degraded. By dispersing seed balls in the village, we can contribute to reforestation efforts and restore the natural ecosystem, which provides numerous ecological benefits.

Our MYC volunteers prepared the seed balls and threw that seed balls at Arapakkam village. By conducting this program our MYC volunteers promoted the growth of trees and plants at Arapakkam village. Trees and plants play a crucial role in mitigating climate change by absorbing carbon dioxide from the atmosphere through photosynthesis. By promoting the growth of trees through dispersion of seed balls program, our MYC volunteers contributed to reducing greenhouse gas emissions and combating climate change.

REPORT ON TEMPLE CLEANING PROGRAM

Date: 08.04.2022

Event	: Temple Cleaning Program
Place of the Event	: Kavanur village
Date of the Event	: 05.04.2022
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Create awareness of preserving historical and religious sites
No. of MYC Volunteers:	12 student volunteers from various departments

Our Mira Youth Club successfully conducted the Temple Cleaning Program at Kavanur village on 05th April 2022.

The purpose of conducting this temple cleaning program at Kavanur village is to promote community involvement, instill a sense of responsibility towards cultural heritage and foster a spirit of volunteerism among the youth. By participating in such activities, students not only contribute to the upkeep of the temple but also learn about the importance of preserving historical and religious sites.

Our MYC volunteers involved in variety of activities to ensure the cleanliness and upkeep of the temple. Some of the common tasks they performed includes sweeping and mopping the temple premises, dusting and cleaning idols, arranging flowers and decorations, cleaning the temple kitchen and dining area, organizing and cataloging temple items, and assisting in any necessary repairs or maintenance work.

At the end of the program vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this program at Kavanur village.

REPORT ON DISTRIBUTION OF TREE PLANTS

Date: 08.02.2022

Event	: Distribution of Tree Plants
Date of the Event	: 05.02.2022
Place of the Event	: Arapakkam Village
Time of the Event	: 10.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Motivating public for trees plantation
No. of MYC Volunteers	: 20 Student Volunteers from various Departments

The distribution of tree plants was organized with the primary objective of promoting environmental sustainability, biodiversity conservation, and community engagement. By providing tree plants to members of the community, the initiative aimed to encourage individuals to participate actively in tree planting and greening efforts, thereby contributing to the improvement of the local environment.

Our Mira Youth Club unit of AMCET completed the tree plantation program on 05.02.2022 at 10.30 am in Arapakkam Village. The program was started at 10.30 am. After completing the activity Dr.T.K.Gopinathan principal and Dr. D. Saravanan Vice Principal addressed the students about the importance of planting trees, deforestation, preserving fresh water, Rainwater harvesting, Avoiding usage of plastic bags and food wastage.

Trees are an important source of oxygen and now the world is facing a big problem called Global warming. For minimizing global warming planting trees are very important. The distribution of tree samples is crucial for various purposes, including forest management, biodiversity conservation, carbon sequestration studies, and ecological research. Various statistical and spatial analysis techniques, such as point pattern analysis, spatial autocorrelation, and remote sensing, can be used to quantify and analyze tree distributions at different scales.

REPORT ON USAGE OF MASK AND DISPOSAL OF MASK AWARENESS PROGRAM

Date: 04.12.2021

Event	: Usage of Mask and Disposal of Mask Awareness Program
Date of the Event	: 02.12.2021
Place of the Event	: Ayilam Village
Time of the Event	: 10.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Create awareness of Mask Wearing and Disposal
No. of MYC Volunteers	: 15 Student Volunteers from various Departments

Our AMCET Mira Youth Club unit organized Usage of Mask and Disposal of Mask Awareness Program at Ayilam Village Ranipet on 02.12.2021 at 10.30 am. Student volunteers and Staff member had begin the program in front Ayilam village people. Our college students elaborate about the Usage of Mask and Disposal of Mask to village people.

The widespread usage of masks has become a crucial measure in combating the transmission of infectious diseases, particularly during the COVID-19 pandemic. However, proper usage and disposal of masks are essential to ensure their effectiveness and prevent environmental pollution. This report provides insights into the usage and proper disposal of masks. Masks have become an indispensable tool in preventing the spread of infectious diseases, particularly in the wake of the COVID-19 pandemic.

Ensuring the effective usage and responsible disposal of masks is essential not only for protecting public health but also for mitigating environmental pollution. Disposable masks should be disposed of in sealed bags and placed in designated trash bins to prevent littering and minimize environmental pollution. Better use of cloth masks can be reused after thorough washing and

REPORT ON TRAFFIC ASSISTANCE PROGRAM

Date: 19.07.2021

Event	: Traffic Assistance Program
Place of the Event	: Vallalar
Date of the Event	: 15.07.2021
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Improve the safety of villagers on the roads
No. of MYC Volunteers	: 12 student volunteers from various departments

Our Mira Youth Club of AMCET organized a traffic assistance program at Vallalar on 15th July 2021 at 11.00 am.

The purpose of conducting this program to Vallalar residents is to promote road safety education. By providing assistance with traffic management and regulations, college students can help improve the overall safety of Vallalar residents on the roads. This initiative also serves as a practical learning experience for students, allowing them to apply their knowledge in a real-world setting while making a positive impact on the community.

Our MYC volunteers encouraged Vallalar residents to follow traffic rules and regulations, such as obeying speed limits and traffic signals and they instructed Vallalar residents to use designated crosswalks and pedestrian pathways when crossing the road.

Our MYC volunteers advised Vallalar residents to wear reflective clothing or accessories when walking or cycling at night to increase visibility and encouraged Vallalar residents to maintain a safe distance from vehicles and to be cautious when walking near busy roads.

At the end of the program vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this program at Vallalar.

REPORT ON RAIN WATER HARVESTING AWARENESS RALLY

Date: 12.08.2021

Event	: Rain Water Harvesting Awareness Rally
Date of the Event	: 09.08.2021
Place of the Event	: Veppur Village
Time of the Event	: 10.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Create a awareness to Harvest the Rain Water
No. of MYC Volunteers	: 35 Student Volunteers from various Departments

Rainwater harvesting is the process of augmenting the natural filtration of rainwater into the underground formation by some artificial methods. "Conscious collection and storage of rainwater to cater to demands of water, for drinking, domestic purpose & irrigation is termed as Rainwater Harvesting.

Students aware the villagers about the Rooftop rainwater harvesting (RTRWH) that it is the most common technique of rainwater harvesting (RWH) for domestic consumption in rural areas and this is most often done at small-scale. It is a simple, low-cost technique that requires minimum specific expertise or knowledge and offers many benefits. Rainwater is collected on the roof and transported with pipes to a storage reservoir, where it provides water at the point of consumption or can be used for recharging a well or the aquifer.

The students also visited various houses in the village to create awareness about importance & conservation of water. Rain Water Harvesting Rally was organized by Mira Youth Club unit on 09.08.2021 at Veppur Village Ranipet at 10.30am. The rally was inaugurated with Dr.D.Saravanan vice Principal, and Panchayat union president Veppur. The Principal of AMCET had delivered the talk about the Rain Water Harvesting Rally and elaborated the benefits rain water saving in natural way.

No. of MYC Volunteers : 70

All the students including ECO Club volunteers of Anna Mira College for Women took part in Voters Day Pledge on 25th January 2021. The National Voters Day is celebrated every year as mark of the foundation day of Election Commission of India, i.e. 25th January 1950. The main purpose of the National Voters Day celebration is to encourage, facilitate and maximize the enrolment of new voters. The theme for this year is 'Making Our Voters Empowered, Vigilant, Safe and Informed', envisages active and participate voters during elections. It also focuses on ECI's commitment towards conducting elections safely during the COVID-19 pandemic. By taking this pledge our students understood the importance of voting.

REPORT ON TRAFFIC ASSISTANCE PROGRAM

Date:06.05.2021

Event	: Traffic Assistance Program
Place of the Event	: Puttuthakku Village
Date of the Event	: 03.05.2021
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Improve the safety of villagers on the roads
No. of MYC Volunteers	:12 student volunteers from various departments

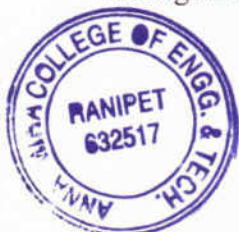

Our Mira Youth Club of AMCET organized a traffic assistance program at Puttuthakku village on 3rd May 2021.

The purpose of conducting this program to Puttuthakku villager's is to promote road safety education. By providing assistance with traffic management and regulations, college students can help improve the overall safety of Vellore resident's on the roads. This initiative also serves as a practical learning experience for students, allowing them to apply their knowledge in a real-world setting while making a positive impact on the community.

OurMYC volunteers encouragedVellore resident's to follow traffic rules and regulations, such as obeying speed limits and traffic signals and they instructed Puttuthakku villager's to use designated crosswalks and pedestrian pathways when crossing the road.

Our MYC volunteers advised Puttuthakku villager's to wear reflective clothing or accessories when walking or cycling at night to increase visibility and encouraged Puttuthakku villager's to maintain a safe distance from vehicles and to be cautious when walking near busy roads.

At the end of the program vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this program at Puttuthakku village.

REPORT ON TREE PLANTATION PROGRAM

Date:29.4.2021

Event	: Tree Plantation Program
Place of the Event	: Sambasivapuram village
Date of the Event	: 26.04.2021
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Motivating public for planting trees
No. of MYC Volunteers	: 14 student volunteers from various departments

Our Mira Youth Club successfully conducted the tree plantation program on 26.04.2021 at Sambasivapuram village. Trees are the important source of oxygen and now the world is facing a big problem called Global warming. For minimizing global warming planting trees are very important.

Main aim of conducting this program is to teach public about the importance of trees in mitigating climate change, improving air quality and providing habitat for wildlife. Tree plantation programs in villages can help public to develop a sense of responsibility towards the environment.

Our MYC volunteers planted samplings of trees and contributed to increasing the green cover in village, improving air quality and reducing soil erosion. Trees also provide shade, which can help cool down the surroundings and create a more comfortable living environment.

At the end of the program vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this program at Sambasivapuram village.

REPORT ON VOTING AWARENESS RALLY

Date: 06.04.2021

Name of the Event	: Voting Awareness Rally
Place of the Event	: Arappakkam Village, Ranipet
Date of the Event	: 03.04.2021
Time of Event	: 11.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: To impart the knowledge of Voting in Election
No. of MYC Volunteers	: 34 student volunteers from various departments

Our Mira Youth Club of AMCET organized a voting awareness rally on 3rd April, 2021 in Arappakkam village. This program helps to raise awareness among the residents of Arappakkam village about the significance of their votes and the impact they can have on shaping their community and the nation as a whole. By highlighting the value of their participation, this rally can motivate individuals to exercise their voting rights. Voting awareness rallies provide an opportunity to address the barriers by providing information, clarifying doubts, and offering practical solutions to ensure that every eligible citizen can exercise their right to vote.

Our MYC volunteers explained why voting is essential for a functioning democracy. They also guided villagers on how to register as voters. They explained the necessary documents and procedures required for voter registration, such as identification proof and age eligibility. They explained the different voting methods available, such as electronic voting machines or paper ballots. They provided a step-by-step guide on how to cast a vote correctly to avoid any confusion or mistakes.

Our MYC volunteers also educated villagers about the importance of having a valid voter ID card. They explained how to obtain or renew voter ID cards and the significance of

REPORT ON MARIAMMAN TEMPLE CLEANING

Date:19.03.2021

Event	: Mariamman Temple Cleaning
Place of the Event	: Puttuthakku Village, Ranipet
Date of the Event	: 17.03.2021
Time of Event	: 10.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: To create awareness of dust removal at temple among public.
No. of MYC Volunteers	: 30 Student Volunteers from various Departments

The cleaning of the Mariamman Temple was organized with the primary objective of maintaining cleanliness, sanctity, and aesthetic appeal within the temple premises. This initiative aimed to uphold the spiritual significance of the temple and provide devotees with a clean and pleasant environment for worship and religious activities. Dedicated members of the temple committee played a key role in organizing and coordinating the cleaning activities, ensuring the smooth execution of the event.

On 17.03.2021 at 10.30 am, our Mira Youth Club volunteers attended the temple cleaning ceremony and the environment inside the Mariamman temple at Puttuthakku village, Ranipet. The garden area around the temple was cleaned by removing the debris. Members were divided into several groups and started the cleaning process.

Volunteers engaged in sweeping and mopping the floors of the temple complex to remove dust, dirt, and debris, ensuring a clean and tidy environment for devotees. Waste bins were placed strategically around the temple premises. The cleaning of the Mariamman Temple was a resounding success, reflecting the collective efforts and dedication of temple committee members, devotees, volunteers, and religious leaders. By maintaining cleanliness, sanctity, and aesthetic appeal within the premises, provided devotees with a conducive environment for worship and religious

REPORT ON HIGHER EDUCATION AWARENESS PROGRAM

Date:28.09.2021

Event	: Higher Education Awareness Program
Place of the Event	: Government Girls Higher Secondary School, Walaja
Date of the Event	: 25.09.2021
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: School Students
Outcomes	: Create awareness of higher education
No. of MYC Volunteers	:12 student volunteers from various departments

Our Mira Youth Club of AMCET organized a higher education awareness program in Government Girls Higher Secondary School, Walaja on 05th November 2019.

This program helps school students to understand the importance of higher education, explore different options such as colleges, universities, vocational schools, and encourage them to pursue further studies.

Our AMCET college students explained school students about the wide range of educational opportunities available to them beyond high school and guided them to achieve their goal. They also provided information about financial aid options, scholarships, grants, and other resources that can help alleviate the financial burden of pursuing higher education .

Our AMCET students motivated school students to do their higher education because it has the potential to break the cycle of poverty and facilitate upward social mobility.

At the end of the program Headmaster of Government Girls Higher Secondary School, Walaja delivered the vote of thanks and issued appreciation certificate to AMCET students. She also thanked the management of AMCET for supporting to organize this program.

REPORT ON BLOOD AND ORGAN DONATION AWARENESS PROGRAM

Date: 25.09.2019

Event	: Blood & Organ Donation Awareness Program
Place of the Event	: Perumugai Village
Date of the Event	: 20.09.2019
Time of the Event	: 10.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: The young students gained knowledge on various medical benefits received by society due to this organ donation.
No. of MYC Volunteers	: 12 Student Volunteers from various department

In today's world, where medical advancements have made remarkable strides, the importance of blood and organ donation cannot be overstated. Yet, despite the critical need, many individuals remain unaware of the impact they can make through such simple acts of generosity. A Blood & Organ Donation Awareness Program serves as a beacon of hope, shedding light on the significance of these donations and inspiring communities to come together for the greater good. On 20.09.2019, our Mira Youth Club (MYC) Student Volunteers gave awareness to the people of Perumugai Village Vellore on the advantages of blood donation & organ donation and also explained the rules of donating blood and organ.

One of the primary goals of such programs is to empower potential donors to take action by providing them with accurate information and addressing any concerns they may have. Individuals were encouraged to step forward and pledge their support. Through registration drives and community outreach initiatives, these programs make it easy for people to sign up as blood or organ donors, thus expanding the pool of potential lifesavers.

In addition to encouraging individuals to become donors themselves, Blood & Organ Donation Awareness Programs also provide support to donor families. For those who have lost loved ones and made the selfless decision to donate their organs, these programs offer counseling, resources, and a sense of community. By honoring the legacy of donors and celebrating their generosity, these initiatives help comfort grieving families and highlight the profound impact of their loved one's gift.

A Blood & Organ Donation Awareness Program like these would serve as a beacon of hope, inspiring individuals and communities to come together in support of a common cause. By raising awareness, empowering donors, collaborating with healthcare providers, supporting donor families, and celebrating success stories, these programs play a vital role in saving lives and creating a brighter future for all.

REPORT ON RAIN WATER HARVESTING AWARENESS PROGRAM

Date: 14.01.2019

Event	: Rain Water Harvesting Awareness Program
Date of the Event	: 10.01.2019
Place of the Event	: Perumugai Village
Time of the Event	: 10.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Create a awareness to Harvest the Rain Water
No. of MYC Volunteers	: 22 Student Volunteers from various Departments

Rain Water Harvesting Program was organized by Mira Youth Club unit on 10.01.2019 at Perumugai Village Ranipet at 10.30 am. The rally was inaugurated with Dr.D.Saravanan vice Principal, and Panchayat union president Perumugai. The Principal of AMCET had delivered the talk about the Rain Water Harvesting Rally and also elaborated the benefits rain water saving in natural way.

The main intention of rally is to harvest the rain water and save the environment. The students form various department were visit different locations on Perumugai village. To create awareness about rain water harvesting without any expenses. Especially gave lecture about various methods of rain water harvesting in natural way.

Rain water harvesting is an important environment friendly approach, dubbed as a green practice, having double benefit, in keeping the groundwater table undisturbed and charging the aquifer, Rain water as well as run-off sytrom water, stored in a planned way, can save the earth from soil erosion and flood and recharge the aquifers to increase the ground water. Catch the rain water from localized catchment surface such as roof of the house, plain and sloping ground surfaces It is easy to process of collect rain water and diverted into ponds, vessels or underground tanks to store for longer periods and to recharge. Finally students complete the rally with the co-ordination of public.

REPORT ON CLEANING WATER RESOURCES

Date:07.11.2019

Event	: Cleaning Water Resources
Date of the Event	: 05.11.2019
Place of the Event	: Puttuthakku, Village
Time of the Event	: 10.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Create awareness of clean water resources among the public
No. of MYC Volunteers	: 25 Student Volunteers from various departments

By removing the trash and vegetation, our students cleaned the pond. The Mira Youth Club Unit of AMCET organized a cleaning of water sources on 05.11.2019 near to Puttuthakku Village. The program was inaugurated by Mr.S.Krishna Murthy at 10.30 am. The students actively participated in the program. The program was ended by 3.30 pm.

Much of our water supply comes from rivers, lakes and reserves. yet half of the world's most important rivers are severely depleted and polluted. The flora and fauna that naturally filter our ground water are rapidly disappearing and climate change and population growth compound the pressure on our water resources .

The pollution of water due to nutrients load arising owing to over use of fertilizers and pesticides led to severe diseases in infants like blue baby syndrome, other life forms due to organic matter load, deficiency of oxygen etc. people were die due to diarrhea, due to unsafe and poor quality drinking water, sanitation and hygiene. Thus, by just maintaining hygiene and proper care, many of the water borne diseases could be avoided. so that our student volunteers are cleaned the different kinds water resources.

REPORT ON BLOOD DONATION CAMP

Date: 06.08.2019

Event	: Blood Donation Camp
Place of the Event	: AMCET Campus
Date of the Event	: 31.07.2019
Time of the Event	: 09.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET & CMC Hospital Vellore
Beneficiaries	: Public
Outcomes	: To impart the importance of blood donation
No. of MYC Volunteers	: 12 Student Volunteers from various department

A blood donation camp is a cornerstone event in any community's healthcare calendar, symbolizing the collective spirit of generosity and compassion. These camps serve as crucial hubs for the collection of blood, a life-saving resource that is in constant demand for medical emergencies, surgeries, and treatments. Blood donation camps play a pivotal role in bridging the gap between blood supply and demand, ultimately saving countless lives. The Mira Youth Club (MYC) in collaboration with blood bank of CMC Hospital Vellore organized a blood donation camp in the presence of Mr.S.Ramadoss Founder & Chairman, Mr.G.Thamothiran Secretary & Treasurer, Mr.R.Prasanth Director, Dr.T.K.Gopinathan Principal, Dr.D.Saravanan Vice Principal, Faculty members, AMCET on 31.07.2019.

On the day of the camp, Dr.M.Sivakumar welcomed the donors with warmth and gratitude, creating a supportive environment conducive to giving. Medical professionals conduct brief screenings to ensure donors meet the necessary eligibility criteria, prioritizing their safety and well-being. Once cleared, donors proceed to the donation area where trained phlebotomists collect their blood using sterile techniques. Throughout the process, volunteers offer reassurance and assistance, making the experience comfortable and stress-free.

REPORT ON TRAFFIC ASSISTANCE PROGRAM

Date: 10.10.2019

Event	: Traffic Assistance Program
Place of the Event	: Vellore
Date of the Event	: 07.10.2019
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Improve the safety of villagers on the roads
No. of MYC Volunteers	: 12 student volunteers from various departments

Our Mira Youth Club of AMCET organized a traffic assistance program at Vellore on 12th June 2018.

The purpose of conducting this program to Vellore residents is to promote road safety education. By providing assistance with traffic management and regulations, college students can help improve the overall safety of Vellore residents on the roads. This initiative also serves as a practical learning experience for students, allowing them to apply their knowledge in a real-world setting while making a positive impact on the community.

Our MYC volunteers encouraged Vellore residents to follow traffic rules and regulations, such as obeying speed limits and traffic signals and they instructed Vellore residents to use designated crosswalks and pedestrian pathways when crossing the road.

Our MYC volunteers advised Vellore residents to wear reflective clothing or accessories when walking or cycling at night to increase visibility and encouraged Vellore residents to maintain a safe distance from vehicles and to be cautious when walking near busy roads.

At the end of the program vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this program at Vellore.

REPORT ON VOTING AWARENESS PROGRAM CAMPAIGN

Date: 15.07.2019

Name of the Event	: Voting Awareness Campaign Program
Place of the Event	: Puttuthakku village
Date of the Event	: 11.07.2019
Time of Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Make the public aware of the need to vote
No. of MYC Volunteers	: 14 student volunteers from various departments

Our Mira Youth Club organized a voting awareness campaign program at Puttuthakku village on 11.07.2019.

Voting is the foundation for the entire system and structure of a country. Voting is the right for citizens to choose the right candidates. Many individuals in rural areas may not be fully aware of their rights and responsibilities as voters, and this campaign can help to bridge this knowledge gap. Our MYC volunteers explained the residents of Puttuthakku village about the purpose of conducting this voting awareness campaign program, emphasizing that it aims to educate the importance of voting and active participation in the democratic process. They also explained about the benefits of voting, such as having a say in decision-making, influencing policies that affect their lives, and shaping their future.

Our MYC volunteers explained that voting is not only a right but also a civic duty, and that every eligible citizen has the power to make a difference through their vote. Our MYC volunteers motivated and encouraged the residents of Puttuthakku village to actively participate in elections. At the end of the program vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this program at Puttuthakku village.

REPORT ON WOMEN'S SAFETY AWARENESS PROGRAM

Date: 28.06.2019

Event	: Women's Safety Awareness Program
Place of the Event	: Kavanur village
Date of the Event	: 25.06.2019
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Create awareness of Women's Safety
No. of MYC Volunteers	: 14 student volunteers from various departments

Our Mira Youth Club of AMCET organized a Women's Safety Awareness Program at Kavanur village on 25th June 2019. The purpose of conducting this women's safety awareness program in Kavanur village is to educate and empower women in rural areas about their rights, safety measures and resources available to them. This program aims to reduce instances of violence against women and create a safer environment for them by raising awareness and providing information on self-defense techniques, reporting mechanisms and support services.

Our MYC volunteers educated to the women's in Kavanur village on the importance of setting boundaries and saying no to uncomfortable situations and they provided information on available support services, such as shelters, counseling, and legal aid, for women in need. Our MYC volunteers explained to the women's in Kavanur village about the importance of speaking up and seeking help if they experience any form of violence and also they encouraged the women's in Kavanur village to form support networks within their community to look out for each other and address safety concerns collectively.

At the end of the program vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this program at Kavanur

REPORT ON PLASTIC DISPOSAL AWARENESS PROGRAM

Date: 27.12.2019

Event	: Plastic Disposal Awareness Program
Date of the Event	: 23.12.2019
Place of the Event	: Veppur Village
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: The participants gained information on the disadvantages of using plastic, their impact on the environment and their safe
No. of MYC Volunteers	: 18 Student Volunteers from various Departments

Our Mira Youth Club volunteers, organized an Plastic Disposal Awareness program on 23.12.2019 at 11.00 am Veppur Village to educate individuals about the environmental, social, and economic impacts of plastic pollution and encourage individuals to reduce their plastic consumption, properly dispose of plastic waste, and embrace sustainable alternatives.

Students of the respective departments and staff members are participated in this visit along with the public. Students and faculty members delivered informative talks and interacted with the village school students, thereby spreading awareness about plastics and their impacts and ways to reduce them. Reuse and Recycling is not the only effective solution to plastic pollution, but one has to avoid the use of plastic wherever possible.

By raising awareness about plastic disposal and promoting sustainable practices, we can work towards reducing plastic pollution and safeguarding the environment for future generations. Together, let us take action to address this global challenge and strive for a cleaner, healthier planet.

REPORT ON CLEAN INDIA CAMPAIGN

Date:19.09.2019

Event	: Clean India Campaign
Date of the Event	: 17.09.2019
Place of the Event	: Vellore Fort
Time of the Event	: 10.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Create awareness of Cleaning Public Places.
No. of MYC Volunteers	: 40 Student volunteers from various Departments

The Clean India Campaign, also known as the Swachh Bharat Abhiyan, was initiated with the primary objective of promoting cleanliness, hygiene, and sanitation across India. The campaign aimed to create a clean and healthy environment for all citizens, emphasizing the importance of individual and collective responsibility in maintaining cleanliness.

The camp was inaugurated with Mr. P. Perumal AP/MECH and Mr.S.Kumaravel AP/EEE, and both delivered a talk about the Clean India Campaign at Vellore Fort on 17.09.2019 at 10.30 am. Students cleaned the papers, and plastic waste and removed the unwanted waste plants around the fort. Our Mira Youth Club (MYC) unit of AMCET students successfully conducted the Cleaning process around the Vellore fort. Environmental cleanliness is important to lead a happy life, prevent disease, and lead a healthy life.

Overall, fort cleaning is important not only for maintaining a clean and organized living space but also for promoting safety and hygiene, especially in areas where children play and elder persons spend time. Regular cleaning and maintenance will help keep the fort looking its best.

REPORT ON COLLECTING VILLAGE GRIEVANCES PROGRAM

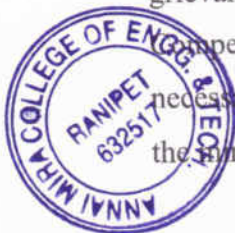

Date: 31.08.2019

Event	: Collecting Village Grievances Program
Date of the Event	: 29.08.2019
Place of the Event	: Arapakkam Village
Time of the Event	: 10.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Timely redressal of grievances
No. of MYC Volunteers	: 15 Student Volunteers from various Departments

Our Mira Youth Club (MYC) Student Volunteers has been conducted a special program named collecting village grievances on 29.08.2019 Arapakkam village in front of village panchayat president at 10.30 am. students were collecting the grievance petitions at the village level in rural areas and at ward level in the urban areas. Within a week of collecting petitions, they were entered online and transferred to the department concerned.

The departments concerned has processed these representations on priority and disposed the representations within a month time. The benefits had been distributed to the identified beneficiaries by organizing functions at taluk level. In addition, requirements of basic amenities of the public like Road, Street Light, Health and Sanitation, Drinking water supply had also been addressed in this program.

The grievances are transferred to the concerned officials electronically, requesting them to take necessary action and inform the aggrieved person/organization of the action taken with a copy to this Ministry. Ministry has been monitoring the redressal of grievances with the concerned Divisions/ Subordinates through periodic meetings and personal contacts. Many grievances pertains to issue related to State Governments, Electrification of Villages, compensation to oustees etc. which are forwarded to respective State Governments for taking necessary action. Finally students were complete the collection of grievances and inform the Ministry to find redressal in good manner.

REPORT ON TREE PLANTATION

Date: 11.08.2019

Name of the Event	: Tree Plantation
Date of the Event	: 09.08.2019
Place of the Event	: Puttuthakku Village
Time of the Event	: 10.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Total Beneficiaries	: Public
Outcomes	: To impart the knowledge of Tree Plantation
No. of MYC Volunteers	: 14

The Tree Plantation Drive was organized with the primary objective of promoting environmental sustainability, biodiversity conservation, and community engagement. By planting trees, the initiative aimed to mitigate climate change, improve air quality, and enhance the aesthetic appeal of the local environment. Our Mira Youth Club unit of AMCET completed the Tree Plantation program on 09.08.2019 at 10.30 am in Puttuthakku Village.

Trees are an important source of oxygen and now the world is facing a big problem called Global warming. For minimizing global warming planting trees are very important. The program started at 10.30 am After completing the activity Dr.T.K.Gopinathan principal and Dr. D. Saravanan vice Principal addressed the students about the importance of Planting trees, and Deforestation.

The students were introduced to the tree species they will be planting, the value of trees, and how to properly handle and plant trees. They made student the primary planters of the event who are supposed to take care of the plants and water them for at least two years. The student delivers a learning of environmental awareness who can become environmental stewards with a sense of ownership.

REPORT ON VOTING AWARENESS RALLY

Date: 11.06.2019

Event	: Voting Awareness Rally
Date of the Event	: 07.06.2019
Place of the Event	: Sambasivapuram Village
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Create awareness of Voting
No. of MYC Volunteers	: 35 Student Volunteers from various Departments

Our college students have stepped forward to spread the word about the importance of voting and the right to vote. The Voting Awareness Rally is organized under the Mira Youth Club (MYC) on 7th June 2019 at 11.00 near Sambasivapuram to create the awareness about the right to vote among the youngsters.

The volunteers motivate the students to vote and cast their vote righteously through various activities like young poets meet, extempore, discussions and street plays etc. Many students participate in the Voter's Awareness Rally spreading the good word of voting. Voting is an integral part of democracy, and it is necessary for people to have a voice. By voting, we can create change and make a difference in our community.

The main objectives of this awareness programme were to increase voter's registration and voting to make the democracy more powerful. The students actively participate in the rally. Even the first-time voters are also a part of the drive they spread awareness about the right to vote and also the importance of this right.

REPORT ON WOMEN'S DAY CELEBRATION

Date: 11.03.2019

Event : Women's Day Celebration
Place of the Event : AMCET Campus
Date of the Event : 08.03.2019
Time of the Event : 10.00 am
Organizing Unit : AMCET
Name of the Coordinator : Mrs.V.Sivasankari , HOD/CIVIL

International Women's Day was celebrated at the Anna Mira College of Engineering and Technology on March 8, 2019. The purpose is to celebrate women's achievements, educate and raise awareness, and raise awareness for women's equality. Mrs.D.Kavitha ,AP/English was invited to deliver a lecture on the topic "**Work-Life Balance.**"

She explained to the students that working women have to carefully handle their personal balance and skill fully blend their roles so as to optimise their potential in all quadrants of life. She briefly described the factors affecting women's work balance, such as role conflict, low recognition, office politics, discrimination based on gender when caring for children, health problems, poor time management, and a lack of social support.

She gave suggestions to achieve work-life balance through time management, following a schedule, saying no to procrastination, avoiding distractions, and setting boundaries. The speaker interacted with girl participants and briefed them on the importance of starting to take action towards achieving your goal right away.

REPORT ON BLOOD DONATION CAMP

Date: 06.10.2018

Event	: Blood Donation Camp
Place of the Event	: AMCET Campus
Date of the Event	: 01.10.2018
Time of the Event	: 10.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET & CMC Hospital Vellore
Beneficiaries	: Public
Outcomes	: To impart the importance of blood donation
No. of MYC Volunteers	: 10 Student Volunteers from various department

The camp was inaugurated with Mr.S.Ramadoss Founder & Chairman, Mr.G.Thamothiran Secretary & Treasurer, Dr.T.K.Gopinathan Principal, Dr.D.Saravanan Vice Principal, Faculty members, AMCET in collaboration with blood bank of CMC Hospital Vellore on 01.10.2018. During the camp Dr.V.Karthikeyan & Dr.B.Geetha delivered the talk to motivate the students on blood donation. They also elaborated and benefits and safety of blood donation habit.

Blood donation camps are vital events that serve as lifelines for those in need of blood transfusions due to medical emergencies, surgeries, or chronic illnesses. Organizing such camps not only saves lives but also fosters a sense of community and altruism among participants. The recent blood donation camp held at [Location] exemplified the power of collective goodwill and the impact of small acts of kindness on the lives of others. During the camp, 36 donors donated their blood and totally 72 units blood was donated by our students. Finally the camp ended with certificate distribution 01.00 pm.

The event also provided an opportunity for education and awareness about the importance of regular blood donation and its role in sustaining healthcare systems. Informational sessions addressed common misconceptions about blood donation, emphasized the need for diverse blood donors, and highlighted the lifesaving potential of each donation.

REPORT ON ROAD SAFETY AWARENESS PROGRAM

Date:13.07.2018

Event	: Road Safety Awareness Program
Place of the Event	: Arapakkam village
Date of the Event	: 10.07.2018
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Create awareness of road safety
No. of MYC Volunteers	: 12 student volunteers from various departments

Our Mira Youth Club of AMCET organized a road safety awareness program at Arapakkam village on 10th July 2018.

The purpose of conducting this is to educate the villagers about the importance of following traffic rules and regulations, promoting safe driving practices and reducing the number of road accidents. By raising awareness and providing information on road safety measures, college students can help improve road safety in the village and contribute to creating a safer environment for all road users. Our MYC volunteers encouraged villagers to follow traffic signals, speed limits and other road regulations to ensure their safety and the safety of others and they emphasized the importance of wearing seat belts in cars and helmets while riding motorcycles to reduce the risk of injuries in case of accidents.

Our MYC volunteers advised villagers to avoid distractions such as using mobile phones or eating while driving or walking on the road and they provided information on what to do in case of an accident, including contacting emergency services and providing first aid if necessary.

At the end of the program vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this program at Arapakkam village.

REPORT ON TRAFFIC ASSISTANCE PROGRAM

Date: 15.06.2018

Event	: Traffic Assistance Program
Place of the Event	: Rathinagiri village
Date of the Event	: 12.06.2018
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET
Beneficiaries	: Public
Outcomes	: Improve the safety of villagers on the roads
No. of MYC Volunteers	: 12 student volunteers from various departments

Our Mira Youth Club of AMCET organized a traffic assistance program at Rathinagiri village on 12th June 2018.

The purpose of conducting this program to Rathinagiri villagers is to promote road safety education in rural areas. By providing assistance with traffic management and regulations, college students can help improve the overall safety of villagers on the roads. This initiative also serves as a practical learning experience for students, allowing them to apply their knowledge in a real-world setting while making a positive impact on the community.

Our MYC volunteers encouraged villagers to follow traffic rules and regulations, such as obeying speed limits and traffic signals and they instructed villagers to use designated crosswalks and pedestrian pathways when crossing the road.

Our MYC volunteers advised villagers to wear reflective clothing or accessories when walking or cycling at night to increase visibility and encouraged villagers to maintain a safe distance from vehicles and to be cautious when walking near busy roads.

At the end of the program vote of thanks was given by our MYC coordinator. He thanked the management of AMCET for supporting to organize this program at Rathinagiri village.

REPORT ON HIV AND TB AWARENESS RALLY

Date:22.12.2018

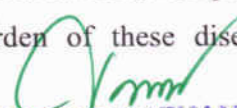

Event	: HIV and TB Awareness Rally
Date of the Event	: 20.12.2018
Place of the Event	: Puttuthakku Village
Time of the Event	: 11.30 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET and Government Primary Health center
Beneficiaries	: Public
Outcomes	: Create awareness on HIV and TB Awareness among public
No. of MYC Volunteers	: 28 Student Volunteers from various Departments

The HIV and TB Awareness Rally at Puttuthakku Village aimed to educate and empower the local community about the prevention, detection, and treatment of HIV/AIDS and tuberculosis (TB). Both HIV/AIDS and TB are significant public health concerns, and raising awareness about these diseases is crucial for reducing their prevalence and mitigating their impact on public health. Our Mira Youth Club students took out a Rally to create awareness among the public in Puttuthakku Village supported by Government Primary Health Centre at Vellore, HIV and TB Control Society held on 20th December 2018 at 11.30 am.

The rally was inaugurated by our Principal Dr.T.K.Gopinathan., Vice Principal Dr.D.Saravanan at Government Primary Health Centre, Vellore. Participants marched through the streets of Puttuthakku Village, carrying banners, placards, and informational posters highlighting key messages about HIV/AIDS and TB prevention, treatment, and stigma reduction. Dr.Murali., MBBS.,MD delivered a open dialogue and education about HIV/AIDS and TB.

HIV and TB are often associated with stigma and discrimination. Increasing awareness can help combat these stigmas and promote compassion and support for those affected. Education about the importance of adherence to treatment regimens for HIV and TB can improve outcomes and reduce the spread of these diseases. Overall, raising awareness about HIV and TB is essential for preventing new infections, improving treatment outcomes, and reducing the burden of these diseases on individuals and communities.

Outcomes	: To impart the knowledge of Tree Plantation
No. of MYC Volunteers	: 12

Every man needs the oxygen for their life and Trees are the foremost source of oxygen as well trees help to reduce the level of co₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects.

Our Mira Youth Club unit of AMCET organized the Tree Plantation Program 15.10.2018 at 11.30 am in Arapakkam Village. It was attended by MYC Coordinator, college staff and 14 student volunteers. Under the Guidance of MYC Co-ordinator, volunteers planted more than 10 trees. The students also placed bricks as barricade sand each student took the responsibility to nourish and maintain the allocated plant.

A banner was also designed by the event organizer to plant trees and was hung there to raise awareness in the people about the needs of tree plantations. After that Assistant Professor explained students about many medicinal plants, photochemical constituents and its uses. He has briefed about synthetic medicine and herbal medicine and the importance of herbal medicine over all the synthetic drugs.

For this Voting Awareness Rally the Municipal Corporation team were present. The students perform street play & with the help of staff members they explained the importance of voting and election to the students of the Institute, the youth generation plays important role in today's era for voting. The Mira Youth Club (MYC) unit organize Voting Awareness Rally on 18.09.2018 around 11.00 am at Melvisharam Village.

In a Rally 30 student volunteers are participated from various departments. They elaborate voting is a method by which a group, such as a meeting or an electorate, convenes together for the purpose of making a collective decision or expressing an opinion usually following discussions, debates or election campaigns. Democracies elect holders of high office by voting. Residents of a jurisdiction represented by an elected official are called "constituents", and the constituents who choose to cast a ballot for their chosen candidate are called "voters."

There are different systems for collecting votes, but while many of the systems used in decision-making can also be used as electoral systems, any which cater to proportional representation can only be used in elections. In a democracy, the government is elected by the people who vote in an election way for an electorate to elect.

REPORT ON DENGUE AWARENESS RALLY

Date:27.08.2018

Event	: Dengue Awareness Rally
Date of the Event	: 24.08.2018
Place of the Event	: Puttuthakku Village
Time of the Event	: 11.00 am
Scheme	: Mira Youth Club
Organizing Unit	: AMCET& Department of Public Health Vellore
Beneficiaries	: Public
Outcomes	: To impart knowledge about Dengue Awareness
No. of MYC Volunteers	: 40 Student Volunteers from various Departments

The primary objective of the Dengue Awareness Rally at Puttuthakku Village was to educate and empower the local community about the prevention and control of dengue fever. Dengue is a significant public health concern in many regions, including Puttuthakku Village, and raising awareness about preventive measures is essential in combating the spread of the disease. Members of the Puttuthakku community actively participated in the rally, demonstrating their commitment to combating dengue fever and promoting public health.

The awareness rally was organized by Mira Youth Club unit along with the department of Public Health and Drugs, Vellore on 24.08.2018 at Arapakkam Village at 11.00 am. The rally was inaugurated by Mr.R.Prasanth Director and Dr.D.Saravanan, Vice Principal. Dr.Sathish Agarwal, MBBS,MD., of public health care centre, Vellore delivered the talk about the dengue awareness and also elaborated the benefits.

In this rally, students visited different locations in the Puttuthakku village and gave awareness about dengue, especially about the various stages of the Aedes mosquito and its various stages of growth like pupa, larvae, worms, insects, etc., The symptoms of Dengue Fever, like continuous vomiting, knee pain, stomach pain, headache, and body pain, also gave practical awareness about where it will be in, like breeds in Flower pots, Water coolers, Refrigerators, and
